

Greetings!

We're so excited that you're considering joining us for our special day in September!

Since our wedding falls during peak tourist season in San Francisco, we have secured some courtesy blocks of rooms at a few hotels in Fisherman's Wharf. Please don't feel obligated to stay at the hotels we picked — we just wanted to ensure that guests at least have some guaranteed accommodations if they want them. Be aware that San Francisco is a dense city, so expect slightly smaller or more "unique" layouts wherever you decide to stay.

For a more standard hotel, we have a block of rooms at the **Sheraton Fisherman's Wharf Hotel**. They are in the process of remodeling their rooms, and should be completed several months before our wedding.

For a hipper experience, across the street from the Sheraton (and at a similar price point), we have a courtesy block at the **Hotel Zephyr**. The Hotel Zephyr features a large outdoor courtyard and game room, as well as modern nautical chic throughout.

Lastly, for the budget traveler or those who want a more unique hotel experience, we have rooms at the historic **San Remo Hotel**. Several blocks down the street from the Sheraton, the Hotel San Remo is roughly halfway between Fisherman's Wharf and North Beach. Built in 1907, the hotel has shared bathrooms and no elevator, but is elegantly and uniquely decorated in a style reminiscent of old Victorian San Francisco.

We encourage you to make other accommodations and explore less touristy parts of the city, and we can both give great recommendations on neighborhoods or areas to stay in.

Please review the following hotel details and don't hesitate to reach out to us if you have any questions about your visit.

Kindly,

Michael and Annie
